A glorious rosé blend taken from our Gimblett Gravels block made from Merlot, Syrah, Cabernet Sauvignon and Malbec. We pressed the juice from the skins as soon as they were picked insuring a very subtle colour pick up evident in the glass as that now famous 'Provence' pink we've come to know and love.

A delicate floral nose with watermelon, strawberries and just the lightest sprinkle of spice delight the senses. There is a light and juicy entry on to the palate with yummy red fruit flavours that lead into a moreish dry finish that leaves you wanting more.

The 2023 vintage was an excellent rose vintage and has made for one of our most exciting roses yet.
